FROM THE DESK OF THE HEAD OF SCHOOL

As we draw the curtains on 2022/2023 Salvation Term, we are not unmindful of all the goodness and mercies of God since January this year. We remain grateful to the Almighty

for seeing us through, keeping us safe and providing for all our needs, both great and small.

We appreciate our parents who have continually supported the RIS vision by giving us the opportunity to be a part of the process of nurturing their children. We encourage you all to spread the good news of RIS to your family and friends so that there are no vacant spaces.

Next year marks our pearl anniversary! Yes! RIS, Apapa Road will celebrate 30 years of Bible based qualitative educational services to children from the cradle to 10 years of age. Kindly spread the word and plan towards being a part of this landmark event.

As we go on Christmas holidays, we pray for strength and clarity to achieve double portion blessings and divine favour that will usher us into 2023. Happy holidays!

SCHOOL BUZZ – 2ND HALF OF SALVATION TERM IN PICTURES

While the entire 2021/2022 set of Class 6 pupils did themselves, their families and the school proud in the 2022 i-Primary Pearson Edexcel examination, Justin Okewih won an award as the best pupil in Science nation-wide. We celebrate this achiever!

From left to right: Chidubem Avajah, Tolulope Taiwo and Ofumfeke Edeh were all selected as the Academic Prefect, Head Girl and Head Boy respectively of the Ambassadors Junior Secondary School for the current session. Keep shining the light!

Randomly selected pictures from the Parents' Teachers' Conference-PTC (Open Day).

Fire Drills in Redeemer's International School are not limited to theories, real life events are simulated and pupils are exposed to practical ways of handling fire-fighting equipment.

Career Day was truly fun filled and inspiring with the display of different professions and the passion pupils attached to their dreams.
