THE UNIQUENESS OF R.I.S

As we draw the curtains on the 2024/2025 academic session, the editorial team wishes to appreciate all our darling parents for being worthy partners in progress with the school. Your sustained support has helped us in great measures to record the successes we had this session.

As we reflect on this session, we wish to re-live some of the major achievements featured in the previous editions of our Newsletter this term:

- **BEST NURSERY AND PRIMARY SCHOOL IN LAGOS STATE FOR YEAR 2024:**

The Office of Education Quality Assurance, having consistently monitored our processes, practices and facilities, and facing different stages of selection, adjudged us as one of the best Nursery and Primary Schools in the state. The school was presented with the awarded at a well attended ceremony that had the Commissioner of Education, Basic and Secondary Education, Permanent Secretary, Lagos State Ministry of Education, top officials of Office of Education Quality Assurance and creme de la creme of educators in Lagos State in attendance.

- **AWARDS IN INTER-SCHOOL COMPETITIONS AND OTHERS:** In the course of the session, our pupils participated in various entrance examinations and inter-school competitions and, their talents shone through. Adedotun Taiwo and Oluwasijibomi Bolaji were the lead casts of pupils who brought different honours and laurels to the school.
- **COMPLIANCE WITH INTERNATIONAL BEST PRACTICES:** In the past editions of our Newsletters this term, we reported several visitations from various regulatory agencies. In all of these visitations, your darling school got rave reviews.

Redeemer's International School is unique because it is not just a school, it is a place of learning, friendship, personal growth and a home-away-from-home. It is a place where knowledge is gained, skills developed and lasting relationships forged. Our school is a community that provides extra-curricular activities, shaping well-rounded pupils in the way of the Lord, to become balanced global citizens.

Again, we appreciate you for the support that culminated in the successes herein re-capped, we look forward to a more success laden 2025/2026 session.

Thank You.

OTHER NEWS

CLASS 6 IS COMPULSORY: Research has shown that pupils who complete class 6 perform better academically and take matured decisions. May God not allow our children to be wrongly scheduled. Stop the hastiness to secondary school from classes 4 & 5.

BUMPER REFERRAL INCENTIVE

The Management of the school wishes to convey her appreciation to all our esteemed parents. Your patronage and loyalty over the years are appreciated most sincerely.

We crave your indulgence to take advantage of the bumper reward promo for both the Vacation Bible School (Summer Camp 2025) and the regular school. For the VBS, refer a child and get 50% off your child's levy, yes, a whopping 50% off.

For the regular school session 2025/2026, refer a prospective that eventually enrolls and get 10% off your child's tuition on every enrollee. This is a bumper package and we want all our parents to benefit from this.

Start referring!

FROM THE DESK OF THE HEAD OF SCHOOL

It is really amazing how quickly time flies! It looks like yesterday that we resumed for the 2024/2025 Academic Session and here we are at the end of the Overcomer's Term. It can only be God!

I want to sincerely appreciate all our parents led by the PTF EXCO, for being an active part of our success story this session. We do not take your support through prompt payment of school fees for granted.

I also consider it a privilege and blessing to be working alongside some of the best crop of educators and devoted non-academic staff. The changes we are seeing in our learners at every level could never have been possible without their selfless contributions as individuals and as part of Team RIS.

We appreciate the seamless adjustment to the changes that occurred in the course of the school year. We look forward to serving you better in the coming session.

As we embark on a well-deserved long vacation, I enjoin us all to prepare to be part of the Vacation Bible School which promises to be much more fun than last year's edition as we "Step Right Up" in the study of the word, and in fun filled learning activities and diverse discoveries. Don't be left out!
